READY-TO-DRINK DISPENSER

With our Ready-to-Drink Dispenser, it becomes simpler to serve chilled quality juice and smoothies. Plug into a power outlet and fill with two of our 10L bag-in-box products, and it's ready to go.

Many flavor varieties

– both organic and conventional.

You can dispense 80 servings of 25 cl. glasses per refill.

READY-TO-DRINK 10 L. BiB Variants	Product Code
Organic Orange Juice	JO-010
Organic Apple Juice	JO-020
Organic Elderflower Drink	JO-030
Organic Rhubarb Drink	JO-045
Conventional Orange Juice	JO-190
Conventional Apple Juice	JO-180
Conventional Orange Juice NFC	JO-110

CONCENTRATE DISPENSER

This is the dispenser for customers where price is a top priority, with corresponding reasonable quality.

The dispenser is made of stainless steel with clean lines and can hold 2 x 10L bag-in-box, which makes up to 120 liters of ready-to-drink juice.

You can dispense two types of juice as well as water, meeting a variety of needs due to its large capacity.

It can dispense 480 servings of 25 cl. glasses per refill.

Significant savings in packaging compared to 1L ready-to-drink – less handling and less waste.

CONCENTRATE 10 L. BiB Variants	Product Code
Organic Elderflower Drink 1+5	JO-650
Organic Blackcurrant Drink 1+5	JO-651
Conventional Orange Drink 1+5	JO-301
Conventional Apple Drink 1+5	JO-300

Packaging/handling	Consumption l.	Qty. cardboard 1l.	Cons. of 10l.	Savings in carton
Juice	10.000	10.000 units.	166 units.	9.834 units.

JUICORGANIC

ORGANIC SLUSH ICE

1 x 10L bag-in-box, which makes up to 50 liters of slush ice.

You can dispense 200 servings of 25 cl. glasses per bag-in-box.

A great organic alternative to the cheap concentrates with E-numbers.

CONCENTRATE 10 L. BiB Variants	Product Code
Organic Elderflower Drink 1+5	JO-650
Organic Blackcurrant Drink 1+5	JO-651
Organic Carrot/Orange 1+5	JO-652
